

Extension Activities

- * TAG (Talented and Gifted) identification of students does not begin until 3rd grade.
- * Our philosophy at Benson Primary School is to meet children where they are at and enhance their educational needs from that point.
- * Teachers create and offer extension activities.
- * Extensions are ongoing and connected to the wide variety of classroom curricular areas.
- * Heightened expectations for those children who have show the ability to extend classroom activities occur on a regular basis.
