

WANTED

Benson and Franzen families to participate in *PENNIES FOR PATIENTS*

We are placing collection canisters in about 60 businesses in Itasca to raise funds for The Illinois Chapter of the Leukemia Society of America during the month of February. Through this effort, we are exemplifying *CARING* and *COMMUNITY INVOLVEMENT*.
Children CAN and DO make a difference!

**Itasca families have collected
over \$33,000 since 2000
through this event!**

When is the fundraiser?

From February 6 – March 3, 2012

What would my family be doing?

Delivering collection canisters to several businesses in Itasca on 2/3, 2/4 or 2/5. The businesses will have already been contacted, and know that the collection cans are coming!

Then, about once a week, go back to the business and empty the coins into a ziploc, leaving the can for further collection. Return the money to school the next day. Collect the cans for the last time on or about Tuesday, March 8.

Sounds simple!

Who do I contact for the materials and business names?

Please send a note to school with your child ASAP. We will be in touch!

**QUESTIONS?
PLEASE CONTACT MRS. REUTER**
