January 2012

Dear Benson Primary Parents,

During the weeks of January 23-February 3, 2012, students in preschool through second grade will be taking the online assessment, Children's Progress. This assessment evaluates reading and math skills and will be taken during the school day in the computer lab during a 45-60 minute period. Your child's winter Children's Progress results will be sent home to you during the week of February 6, 2012. During the weeks of May 7-18, 2012, students in preschool, kindergarten, first and second grade will be taking this assessment for the final time during the 2011-12 school year. Your child's spring Children's Progress results will be sent home in the fourth quarter report card envelope. Please feel free to contact me at 630-773-0554 should you have any questions regarding this online assessment.

Sincerely,

Dawn Turner, Ed.D.
