Dear Parents,

We would like to share with you a website where your child can practice his/her phonics and spelling words. This website will help students learn their weekly phonics and spelling words while having fun at the same time. Your child can review and play games with the words to reinforce the learning process. Your child has used this website at school.

The following are directions for use at home:

1. Go to [www.spellingcity.com](http://www.spellingcity.com)
2. Click on Find a List from the toolbar.
3. Look for Enter search term: Type in benson2.
4. Look for Search by: Click on the arrow to change to username.
5. Click search.
6. Choose the spelling or phonics words you want to review.

Thank you,

The Second Grade Team
