Dear Franzen Intermediate Parents,

During the weeks of April 30-May 11, 2012 students in third through fifth grade will be taking the spring benchmark of the online assessment, Discovery Education. This assessment evaluates reading and math skills and will be taken during the school day in the computer lab during a 45-60 minute period.

Your child's Discovery results will be utilized by your child's teacher to monitor growth, and evaluate instruction for the future. You, as parents, will receive the results from the year's three Discovery benchmark assessments in your child's quarter 4 report card.

Please feel free to contact me at 630-773-0100 should you have any questions regarding this assessment.

Sincerely,  
Jeffrey J. Murphy  
Principal, Franzen Intermediate School
