Dear Parents/Guardians,

In our continued effort to assist students as they transition into the middle school, during Common Time on Wednesday, December 14, sixth grade students will fill out an anonymous survey. This survey, developed by our guidance counselor, Mrs. Gornik in conjunction with the sixth grade team, is to help us understand the kinds of issues and concerns that the sixth grade students are experiencing in the hallways and in classrooms. The survey addresses respect, behavior outside of the classrooms, use of inappropriate language, and rumors. A link to the survey can be found online on the sixth grade page on the district website.

The results will be used to determine the focus of Character Counts lessons and class discussions that will be facilitated by Mrs. Gornik during Common Time in January.

If you have any questions or concerns regarding the survey, please contact Mr. Behrendt or Mrs. Gornik.

Happy Holidays,
F.E. Peacock's 6th Grade Team

The purpose of the survey is to understand the kinds of issues and concerns that sixth grade students are experiencing in the hallways and in classrooms. Please answer the questions honestly. **The survey is anonymous so please do not put your name on this survey.**

The results will be presented to students in January. Mrs.Gornik will visit each common time where she will present the result and lead a discussion on the results
